

# PERFORMANCE BLOCK

Have you ever wondered what it is like to be in a Civic Mainstage production? Now you can find out! Our Performance Block classes for grades 2+ mimic the experience of a Civic Mainstage process - from audition to performance - in a condensed block of time! A professional staff of directors, stage managers, music director, choreographer, designers and technicians will take students through the entire process, culminating in two public performances for a paying audience on Grand Rapids Civic Theatre's Meijer Majestic Stage.

## PRE-REQUISITES

Performance Block classes are intended to be an opportunity for active students to apply the skills they've been learning in classes and camps to their work as a performer. In order to ensure students are prepared for the rigor of the program, we require certain pre-requisites in order for a student to participate in Performance Block productions.

Please see the chart below each Performance Block option to determine if your child has met the pre-requisite requirements. If you have any questions about their eligibility, please call the office at 616-222-6653, ext 2. Performance Block Productions fill quickly – so don't wait to register!

We do NOT make exceptions to these pre-requisites.

Registration deadline for Performance Block is Friday, February 28, 2020
